If you are entitled to receive a benefit or make a claim under another insurance policy (‘Other Policy’) (for example, a comprehensive travel insurance policy for your journey), in respect of the same loss as your claim under this policy, then Allianz is not liable to provide indemnity under this policy until the amount of any indemnity under that Other Policy is exhausted. In other words, any insurance cover under this policy in respect of the same loss shall only be excess insurance cover over and above the applicable Other Policy.

Sanctions

Notwithstanding any other terms, we shall not be deemed to provide coverage and we will not make any payments or provide any service or benefit to any person or other party to the extent that such cover, payment, service, benefit and/or any business or activity of the person would violate any applicable trade or economic sanctions law or regulation.

Termination of these covers

St.George Bank or Allianz may terminate the benefits under any one or all of the covers in this document for all cardholders or an individual cardholder, and if so will notify primary cardholders of the termination. Events occurring before expiry of this notification will still be eligible for cover. However, events occurring after expiry of this notification will not be eligible for cover. Excess – what you contribute to a claim

Excesses may apply to certain sections of cover. An excess is not an additional fee charged by us at the time of making a claim. Rather, it is the uninsured first portion of a loss for which you are otherwise covered (i.e. the amount that you must contribute towards each claim). Details of the excess amounts and circumstances in which they will be applied are set out below:

- ‘Overseas travel insurance policy’ — You must pay the first A$250 for each claim made under Benefits 1 to 7 of ‘Part B’. However under Benefit 2 — ‘Loss/damage to personal property’ there is no excess payable for the replacement of your travel documents, credit cards, and travellers’ cheques and the emergency replacement of your clothes and toiletries. Also if you make more than one claim as the result of a single event, the excess only applies once.
- Purchase security insurance policy – You must pay the first A$250 for each claim.
- Extended warranty insurance policy – You must pay the first A$250 for each claim.
- Interstate flight inconvenience insurance policy – You must pay the first A$250 for each claim made under ‘Benefits 2 and 4’.
- Rental vehicle excess insurance in Australia policy – You must pay the first A$250 for each claim.
- Transit Accident Insurance policy – You must pay the first A$250 for each claim.
Repairing or replacing damaged property/personal goods

In the event that an item is damaged, lost or stolen Allianz Global Assistance may choose to:

- repair the item;
- replace the item, less an amount which takes into consideration its age as shown below; or
- pay you the amount it would cost us to replace the item less an amount which takes into consideration its age as shown below.

However under no circumstances will Allianz Global Assistance pay you more than it originally cost you to buy the item and where the item is part of a pair or set, you will receive no more than the value of the particular part or parts lost, stolen or damaged, regardless of any special value that the item may have by way of being part of such pair or set.

When taking into consideration the age of an item Allianz Global Assistance will deduct the following amounts from our replacement or replacement cost:

- For toiletries (including skin care, make-up, perfume and medications) we will deduct 3.00% for each month you have owned the item to a maximum amount of 80%.
- For phones, electrical devices, communication devices, all computers, photographic equipment, tablets and electronics equipment we will deduct 1.75% for each month you have owned the item up to a maximum amount of 60%.
- For clothing, footwear, luggage and books we will deduct 1.75% for each month you have owned the item to a maximum amount of 80%.
- For camping, sporting and leisure equipment (but not leisure clothing) and musical instruments we will deduct 1.00% for each month you have owned the item up to a maximum 60%.
- For jewellery we will deduct 0.25% for each month you have owned the item to a maximum amount of 25%.
- For all other items we will deduct 1.25% for each month you have owned the item to a maximum amount of 60%.

For example: If your stolen bracelet has been owned for 8 years (96 months) and Allianz Global Assistance can replace it for A$1,000, we pay you (or replace) A$760, as we will deduct A$240 (A$1,000 x 24% {i.e. 96 months x 0.25%/month}) from our replacement cost. This assumes that the stolen bracelet originally cost you at least A$760.

However, property or personal goods left unattended in a motor vehicle are only insured for up to A$5,000 in total for Level 1 Cards, and A$2,500 in total for Level 2 Cards.
Where we choose, we may require proof of ownership/purchase from you. In instances where you are not able to supply proof of ownership/purchase or other evidence which we deem satisfactory for the purpose of proving ownership/purchase, we may be unable to properly assess or approve your claim.

**Safety of your property/personal goods**

You must take all adequate and reasonable precautions (considering the value of the items) to protect your property/personal goods and you are not covered if you do not take reasonable precautions (considering the value of the items) to protect your property/personal goods.

Property or personal goods is/are not covered under any of the insurances if left:

- unattended in a public place; or
- unattended in an unlocked motor vehicle; or
- unattended in a motor vehicle, where it may be in view of someone should they look into the motor vehicle; or
- unattended in a motor vehicle overnight; or
- behind, forgotten or misplaced; or
- with a person who steals or deliberately damages them.

A ‘public place’ includes, but is not limited to shops, airports, bus depots, streets, hotel foyer (or hallways and grounds), restaurants, beaches, public toilets, car parks, office areas, behind counters, housing and hostel common areas, unlocked hostel and hotel rooms and any place which is accessible to the public.

**Reporting lost, stolen or wilfully damaged property/personal goods**

In the event that your property or personal goods are stolen, wilfully damaged or accidentally lost, you must make a report to the police or to the nearest government agency or authority. You must do this within 24 hours of learning of the theft, loss or damage and the report must list and describe the missing or damaged property/personal goods.

If the loss or wilful damage occurs overseas, a copy of this report must be obtained and the authority must sign the copy and write on it that it is a true and accurate copy of the original.

In the event the cardholder does not make a report to police or to the nearest government agency or authority or take all reasonable steps to assist Allianz Global Assistance, the claim may be refused and it may prejudice any further claims.
Pre-existing medical conditions.

The insurances do not cover you and you can not apply to be covered for any event that is caused by or arises as a result of a pre-existing medical condition of your relative, your travel companion or any other person that may give cause for you to claim (e.g. you would not be covered under the ‘Overseas travel insurance policy’ section of this booklet if you cancelled your travel because of any event caused by a pre-existing medical condition of your uncle).

Also the cardholder, the cardholder’s spouse and dependent children are not covered for any event that is caused by, or arises as a result of their pre-existing medical conditions unless they are going overseas and:

- it is a pre-existing medical condition(s) automatically covered under the ‘Conditions we automatically cover without referral’ section below or
- prior to leaving Australia they apply and are approved for cover by Allianz Global Assistance for their pre-existing medical condition(s) under the ‘Overseas travel insurance policy’.

In regard to pregnancy, we do not insure you for any expenses that arise due to the normal development and consequences of pregnancy, including but not limited to regular or routine medical consultations and tests (such as ultrasounds) and the childbirth itself. We do cover the mother’s expenses if they arise as an unforeseen consequence of the pregnancy or childbirth and for which otherwise the mother would be covered. This however, does not mean that cover is provided for the health of a child born on the journey.

Applying for cover for a pre-existing medical condition

You can apply to Allianz Global Assistance to provide cover for a pre-existing medical condition(s) by contacting us before you depart on a journey:

1) on 1800 091 710 – 8am to 8pm AEST, Monday to Friday, and 8am to 5pm AEST, Saturday, or
2) by completing an online assessment at insurance.agaassistance.com.au/stgeorge

If we agree to cover all or part of your pre-existing medical condition(s) you must pay us a A$75 administration fee for application by phone or A$45 for online applications. We will then send you confirmation which sets out:

Insurance exclusions – what is not covered

In any insurance policy there are situations that are not covered. Whilst we try to extend our cover to most situations, we are not able to insure some situations because of the costs or types of events involved.

In addition to any specific exclusions contained in any individual cover in this document, the following exclusions apply to all the covers in this policy:

- We reserve the right to not insure you if you act against our advice or that of our Medical Team, i.e. we decide to arrange for you to be moved from your location to hospital at another location and you decide against it.

- We do not insure you for any event that is caused by or arises as a result of any pre-existing medical condition of yours, a relative, travel companion or any other person that may give cause for you to claim unless the claim relates to ‘Overseas travel insurance’ and your pre-existing medical condition is automatically covered as outlined in the “Pre-existing medical conditions” section of this booklet, or Allianz Global Assistance have given prior written approval to cover your pre-existing medical condition and you have paid the administration fee.

- We do not cover your property or personal goods left unattended in a motor vehicle for any more than A$5,000 in total for Level 1 Cards, and A$2,500 in total for Level 2 Cards.
We do not insure you in regard to any travel that:

- you book or take against medical advice; or
- you take for the purpose of getting medical treatment or advice; or
- you take after a qualified and registered member of the medical profession informs you that you are terminally ill.

We do not insure you for any event that is caused by or arises from you failing to follow advice or take heed of a warning from:

- any government;
- or any official body;
- or any publication or broadcast by any member of the mass media.

We do not insure you for any event that is caused by or arises from:

- you being under the influence of alcohol or drugs, unless the use of the drugs was prescribed by a qualified and registered medical practitioner; or

What to do in the event of a claim

However, if you are making a guaranteed pricing claim, you must contact Allianz Global Assistance within 21 days of the purchase of the personal good.

2. You must provide Allianz Global Assistance with any evidence/documentation we require to verify your claim. Depending on the policy you are claiming under, this might include (but is not limited to) any of the following:
   - proof that you are eligible for insurance cover – e.g. your eligible credit card account statement and credit card receipt to confirm your eligibility for the insurance;
   - if items were stolen, wilfully damaged, or accidentally lost you must give us the police report number, or if the incident occurred whilst you were overseas, a copy of the report you obtained from the police or nearest government agency or authority. The report should be certified by the relevant authority as being a true and correct copy of the original;
   - proof of your ownership of any lost, stolen or damaged items – e.g. purchase receipts;
   - evidence of your intended flight – e.g. ticket, travel agent’s itinerary showing your flight or a letter from the airline, etc.;
   - evidence of the delay, including in the case of luggage delay, a lost property/delayed property report issued by the airline;
   - receipts for any items you buy to replace those that were lost or stolen or purchased as emergency replacement of your clothes and toiletries;
• if any items are lost or stolen during the time that a carrier was responsible for looking after them, you must get a letter from the carrier explaining what happened and stating the amount of refund you received from them;
• if your travel or accommodation arrangements are cancelled and you intend claiming, you must provide a letter from the carrier, hotel, etc., outlining the refund you were entitled to;
• any damaged items for which you are claiming so that they can be inspected by Allianz Global Assistance or our authorised representative;
• a quote (at your expense) for the replacement of lost or stolen items, or quote (noting the serial number for ‘Extended warranty insurance’ claims) for the repair of damaged or broken-down items. We will however pay the reasonable cost of the quote if we agree to pay the claim;
• copy of the Australian warranty if claiming under the ‘Extended warranty insurance policy’;
• in regard to the guaranteed pricing scheme, we require evidence that the cheaper item is the same (i.e. model number, model year, and manufacturer) as the personal good you purchased, and we require a copy of the printed catalogue advertising the cheaper item, and evidence that the advertisement was printed after you purchased the personal good.

3. Liability claims against you must be in writing. You are not to make any admission or offer to settle any claim. If you do so, we may reduce the amount payable in respect of the claim.

4. All losses under the Loss or damage to personal property benefit must be reported to the local authority within twenty four (24) hours of learning of the theft, loss or damage and the report must list and describe the missing or damaged property/personal goods.

5. Immediately report any lost luggage or damage to the conveyance carrier and submit a claim to them. The conveyance carrier may be legally liable for the loss or damage.

If you do not comply with any of these conditions relevant to your claim then we may refuse a claim, reduce any amount payable to you or exercise any remedy available to us at law.

We insure St.George Bank cardholders, their spouse and their dependent child/children up to and including 80 years of age as at the date they become eligible for Overseas travel insurance for medical and hospital expenses incurred overseas on their journey.

We reserve the right to return you to Australia for ongoing medical attention. In Australia we are not licensed to pay medical and hospital expenses and you would need to claim on Medicare and/or your Australian medical insurer. If you choose not to return to Australia we will cease to pay for the subsequent medical and hospital expenses you incur overseas.

By medical expenses we mean expenses for:

- medical, paramedical, or surgical treatment; or
- other treatment, given or prescribed by a qualified and registered member of the medical profession; or
- emergency dental treatment to natural healthy teeth (but not ongoing dental treatment) where the treating dentist confirms in writing that the treatment was solely to relieve sudden and severe pain; or
- ambulance, hospital, or nursing home charges; or
- expenses for emergency evacuation to Australia or another country, if the local medical services are inadequate or not available. The evacuation must be authorised and arranged by Allianz Global Assistance (refer to ‘Emergency and medical services whilst overseas’ in this document for contact details).
If we agree to pay the hospital and medical expenses associated with your stay in an overseas hospital, we will also pay you, in addition to the hospital and medical charges, a cash bed care allowance which covers incidental expenses, such as a rental TV and newspapers or hospital phone calls for each continuous 24 hour period you are confined in an overseas hospital as a bed care patient, provided the claim is supported by written confirmation from the hospital of the length of your stay.

We will also pay for a relative or friend to travel to where you are, to either care for you and/or to escort you back to your normal residence in Australia if:

- you are injured or become seriously ill during the period of cover; and
- you show us medical advice written by a qualified and registered member of the medical profession, stating that a companion/escort is necessary; and
- Allianz Global Assistance agrees that a companion/escort is reasonably necessary.

The companion’s/escort’s costs will be reimbursed to the person who incurs the expense.

### Medical expenses

**We will pay for...**

We will pay for your overseas medical expenses during the period of cover if you:

- become ill overseas; or
- get injured overseas, provided the injury was accidentally caused by a sudden physical force.

We will only cover your medical expenses if:

- you incur them overseas, during your journey; and
- you are legally responsible for paying them; and
- you show us medical advice, written by a registered and qualified member of the medical profession, as proof of your illness or injury and the treatment you need for it; and
- we assess that your medical expenses are reasonable in amount and reasonably necessary.

Please remember that you can only claim for emergency evacuation if it is arranged by Allianz Global Assistance (simply call Allianz Global Assistance in Australia at any time on +617 3305 7468 - reverse charges).
We will not pay for...

We will not pay for medical expenses that:

- arise from pre-existing medical conditions unless your pre-existing medical condition is automatically covered as outlined in the “Pre-existing medical conditions” section in this booklet or prior to you leaving Australia, Allianz Global Assistance has given prior written approval to cover your pre-existing medical condition and you have paid the administration fee; or
- arise from dental treatment caused by or related to the deterioration and/or decay of teeth or involving the use of precious metals; or
- you can recover from any private medical fund or similar government scheme; or
- you incur in Australia; or
- arise from HIV, AIDS, ARC (AIDS Related Complex, however this syndrome may be acquired or named), or any related illness, no matter how you become infected; or
- arise from a sexually transmitted disease; or
- arise from any disease that is transmitted when giving or taking a drug, unless the giving or taking of the drug is supervised by a qualified and registered member of the medical profession and the disease is not excluded anywhere else in this ‘Overseas travel insurance policy’; or
- you incur more than 12 months after the date of your illness or disablement.

Benefit 2: Loss or damage to personal property

We insure you, during your journey for the theft and accidental loss or damage to the following property/personal goods that you either take with you or buy on your journey:

- baggage, clothing and personal valuables; and
- portable electrical equipment and binoculars (but we will not pay for scratched lenses); and
- cameras and associated equipment/accessories (but we will not pay for scratched lenses); and
- laptop computers and associated equipment/accessories (but we will not pay for scratched screens); and
- travel documents, travellers’ cheques, bank notes, currency notes, postal orders, money orders, cash credit cards or petrol coupons taken with you on your journey for personal use.
However you must take steps to prevent any loss or damage (e.g. there is no cover for personal goods that are left unattended in a public place or personal goods left behind, forgotten or misplaced).

**Note:** Items used for any business purpose or purchased in a business name are not covered.

Whilst you are overseas we will also provide for the emergency replacement of your clothes and toiletries, if your entire luggage is delayed, misdirected, or temporarily misplaced by any carrier for more than 12 hours.

If your travel documents, credit cards or travellers’ cheques are accidentally lost or stolen you are covered for their replacement and any legal liability for payment arising out of their unauthorised use only if:

- you have complied with all the conditions you agreed to when your travel documents, credit cards or cheques were issued; and
- you have reported the loss to the appropriate authorities (e.g. Police) within 24 hours of the discovery of the loss. If you are claiming for the emergency replacement of your clothes and toiletries, you will need to obtain written confirmation from the carrier who was responsible for the luggage and you will need to provide us with receipts for the replacement items you needed to purchase.

In the event of a claim you must prove your ownership of the property and prove the value of the property (e.g. receipt or valuation for jewellery). If you cannot prove the value of your property, the most we will pay for each individual item is 10% of the limit shown for the type of item in Part A —‘The limits that apply and a summary of the cover’.

**Benefit 3: Unexpected cancellation of travel arrangements and other unexpected expenses**

Under this section we cover a *cardholder* for the unexpected cancellation of travel arrangements and other unexpected expenses due to the specified reasons set out below, after the *cardholder* becomes eligible for the Overseas travel insurance provided the claim is not covered elsewhere in this policy. Cover under this section is also provided if the *cardholder* intends to obtain a *return overseas travel ticket*, before leaving Australia, and meets all the other eligibility requirements (see “Eligibility for Overseas travel insurance”).

If the *cardholder* is eligible for the insurance under this section (as outlined above), the *cardholder’s spouse* and/or *dependent child*, who meets all the eligibility requirements (or who meets the eligibility requirements other than the purchase of a *return overseas travel ticket*, before leaving Australia) and who intends to travel with

- if after purchasing your *return overseas travel tickets*, you become aware you have a medical condition, which we will then not *provide* medical cover for, or you, your *travel companion* or your relative living in *Australia*:

  **Note:** We will need to see medical advice written by a qualified and registered member of the medical profession regarding any of the above events and be satisfied that the cancellation was appropriate and reasonably necessary.

- cancel any other travel or accommodation arrangements that depend on your cancelled arrangements and that you are now unable to use.

**We will pay for...**

**If you continue your travel.**

You may decide to continue your cancelled travel arrangements. If you do this at the earliest possible opportunity after cancellation, we will, at our option, either: we will pay these costs minus the amount of any refundable part of your cancelled travel arrangements.

- pay for any part of your cancelled travel arrangements that:
  - you have paid for but are unable to use; and
  - that are non-refundable; or
- pay the costs of a higher class of travel, or increased seasonal rates for travel, if that is the only class or rate available.

- you have paid for but are unable to use; and
- which are non-refundable.

You may decide not to continue with the cancelled travel arrangements at the earliest possible opportunity after cancellation. If so, we will pay for any part of your cancelled travel and accommodation arrangements that:

- you have paid for, but will not use; and
- which are non-refundable.

**How we value travel tickets or accommodation obtained by way of redeeming reward/frequent flyer points**

If the travel/accommodation provider or travel agent will not refund the value of the component (or will only refund a portion of the value) of the accommodation/transport ticket which was obtained by redeeming reward/frequent flyer points, we will refund the cost of the equivalent accommodation/transport ticket based on the quoted retail price at the time the accommodation/transport ticket was issued less the value of the portion of points refunded back to you.

**Benefit 4: Resumption of journey following the death of a relative**

We insure you for the reasonable transport expenses incurred to return to Australia and then resume your journey, if you have to interrupt your journey and return to Australia immediately following the death of a relative living in Australia.

**We will only pay if...**

*We only pay if you resume your journey within 30 days of returning to Australia; and*

- your journey had not ended before your return and there is at least a fortnight or 25% of the time of your journey remaining (whichever is the greater); and
- the death occurred after you booked your travel; and
- your claim is not excluded elsewhere in this document.

However, if the exclusion is due to your relative’s pre-existing medical condition, we will pay benefits provided that before you commenced your journey a medical professional had not declared your relative as being terminally ill.

**We will pay for...**

We will pay for the costs (through reimbursement to you) of an economy air ticket to Australia and an economy air ticket to return you to the overseas location where you were to be at that time when you returned overseas (as stated in your original itinerary).
We will not pay for...

Benefit 5: Special event

If your journey is interrupted by any unexpected cause outside of your control and as a result you are going to miss a special event which can not be delayed, we will pay the reasonable additional costs of using alternative transport to arrive at the special event destination in time for the special event.

Benefit 6: Rental vehicle excess

This benefit is only payable when you supply receipts for the expenses incurred and written confirmation from the carrier confirming the period of delay.
Benefit 8: Funeral expenses

We insure you for funeral expenses that are incurred whilst on your journey. However, we will not pay for your funeral expenses if your death is the result of suicide or a pre-existing medical condition unless your pre-existing medical condition is automatically covered as outlined in the ‘Pre-existing medical conditions’ section in this booklet or Allianz Global Assistance have given prior written approval to cover your pre-existing medical condition and you have paid the administration fee.

By funeral expenses we mean:
• the reasonable costs of returning your remains or ashes to Australia; and/or
• the reasonable costs of your overseas funeral or cremation.

We will pay for funeral expenses if:
• you die during the journey; and
• a death certificate given by a qualified and registered member of the medical profession is shown to us as proof of the cause of death.

Benefit 9: Accidental death

The death must occur within 12 months of the accident and the accident must have been caused by violent, external and visible means and must be supported by a death certificate, signed by a qualified and registered member of the medical profession.

If the transport you are travelling in is involved in an accident caused by violent, external and visible means and your body can not be found, we will after 12 months treat you as having died as a result of the accident.

Benefit 10: Legal liability

We cover your legal liability during your journey.

By legal liability, we mean your responsibility to pay compensation for negligently causing:

- Your business, profession or occupation.
- Loss or damage to any property that is owned or controlled by you.
- Any fines or penalties, including punitive, exemplary, liquidated or aggravated damages. These are damages a judge may order a person to pay as punishment. They are different from damages that must be paid as compensation.

**Benefit 11: Loss of Income**

We cover cardholders and their spouse for loss of income and will pay this benefit monthly in arrears if:

- a cardholder or spouse is unable to resume their pre-journey work in Australia after a journey ends solely as a result of injuries sustained whilst overseas on a journey; and
• the claim is supported by a medical certificate given by an Australian qualified and registered medical practitioner; and
• the cardholder or spouse had work to return to in Australia (supported by written evidence).

We do not cover the income lost during the first month after a cardholder or spouse planned to resume their pre-journey work in Australia.

Benefit 12: Domestic Pets Boarding
If your return to Australia is delayed because of events covered under this policy, or your scheduled transport back to Australia is delayed for reasons beyond your control, the period of insurance will automatically be extended for a period of 4 weeks. During this period we will pay any additional boarding fees for your domestic cats and dogs, provided you provide evidence of the additional fees you incurred.

Benefit 13: Assault requiring hospitalisation

**Purchase security insurance policy**

Purchase security insurance is a cover available to St.George Bank cardholders. This cover provides four months of complimentary insurance for Level 1 Cards and provides three months of complimentary insurance for Level 2 Cards (period of insurance) against loss, theft, or accidental damage over a wide range of new personal goods purchased anywhere in the world, provided the entire purchase is charged to the cardholder’s eligible credit card account.

This insurance provides automatic protection for personal goods when their purchase is charged to an eligible credit card account unless the personal goods and/or claims are excluded by the definitions, Terms and Conditions, or exclusions, or the cardholder fails to comply with the claims procedures.

The personal goods are insured anywhere in the world for the period of insurance from the date of purchase in the event of loss, theft or accidental damage. However there is no cover until you have taken possession of the personal goods.

The liability of Allianz for claims made pursuant to this insurance shall not exceed the lesser of:

• the actual amount charged to the cardholder’s eligible credit card account to purchase the personal goods; or
• A$3,500 per claim for Level 1 Cards, and A$3,000 for Level 2 Cards in respect of jewellery, watches and works of art or
• A$135,000 in any 12 month period for Level 1 Cards, and A$125,000 for Level 2 Cards in respect of any one eligible credit card account.
Extended warranty insurance policy

Extended warranty is a cover available to St.George Bank cardholders. The cover extends the manufacturer’s expressed Australian warranty on personal good(s), purchased, provided the entire purchase is charged to the cardholder’s eligible credit card account. The insurance does not affect the rights of cardholders against a manufacturer in relation to contravention of statutory or implied warranties under Australian legislation.

The insurance cover provided in respect of the purchase of personal good(s) comes into effect at the end of the Australian warranty period that applies to the personal good(s), provided the Australian warranty is for a period of six months or more up to a period of five years.

Only items with a manufacturer’s unique identification serial number on them are covered under this insurance.

This extended warranty period will be for an equivalent duration as the Australian warranty up to a maximum of one full year and does not apply if the Australian warranty period is in excess of five years.

For example:

<table>
<thead>
<tr>
<th>Australian warranty period</th>
<th>Extended warranty period</th>
</tr>
</thead>
<tbody>
<tr>
<td>Six months</td>
<td>Six months</td>
</tr>
<tr>
<td>Eleven months</td>
<td>Eleven months</td>
</tr>
<tr>
<td>One to five years</td>
<td>One year</td>
</tr>
<tr>
<td>Over five years</td>
<td>No cover</td>
</tr>
</tbody>
</table>

This extended warranty only covers the failure of a personal good(s) to operate for the purpose for which they were designed as a result of a breakdown or defect, provided the breakdown or defect is covered by the terms of the Australian warranty.

The liability of Allianz for claims made pursuant to this insurance shall not exceed:

- the actual Australian dollar purchase price of the personal good(s) charged to an eligible credit card account; and
- in a 12 month period the sum of A$20,000 for Level 1 Cards and A$10,000 for Level 2 Cards per eligible credit card account.

If a claim is to be paid under this insurance you must obtain the approval of Allianz Global Assistance prior to proceeding with any repairs or replacement of the personal good(s) which have broken-down or are defective.
Price guarantee cover

Price guarantee is a cover available to St.George Bank Level 1 Card cardholders when new personal goods are purchased anywhere in Australia and the entire cost is charged to the cardholder’s eligible credit card account.

This cover guarantees the cardholder gets the best price if, within 21 days after the purchase of a personal good, they advise us that they have subsequent to their purchase, received a printed catalogue showing the same personal good (same model number and same model year), by the same manufacturer, for a lower price from a store within 25 kilometres of the store from where the personal good was purchased, and the price difference is greater than A$75.

The cheaper personal good must be:

• the same model number; and
• same model year; and
• produced by the same manufacturer as the personal good you had previously purchased.

The catalogue showing the cheaper article must have been printed after the date you purchased the personal good.

You must report (make a claim) the cheaper article to Allianz Global Assistance within 21 days of the purchase of the personal good. This is because we only provide cover for cheaper items reported within 21 days of the date of purchase of the original personal good.

Provided the price difference is greater than A$75 you will be refunded the price difference up to A$300.
Interstate flight inconvenience insurance policy

Interstate flight inconvenience insurance is available to St.George Bank Level 1 Card cardholders whilst they are on an interstate Australian holiday of up to 14 days once the cardholder charges the entire cost of their return interstate flight fare (but not taxes, or airport or travel agent’s charges) to the cardholder’s eligible credit card account.

If the cardholder is eligible for the Interstate flight inconvenience insurance as outlined above the cardholder’s spouse and/or dependent child/children, who are travelling with the cardholder for the holiday become eligible for this Interstate flight inconvenience insurance when the entire cost of their interstate flight fare (but not taxes, or airport or travel agent’s charges) has been charged to the cardholder’s eligible credit card account.

Except for the cancellation cover, the other covers included in this policy are available for a period of 14 days from the date the cardholder, spouse, and/or dependent child/children leaves their Australian home to travel directly to the airport from where they are catching their interstate flight. The cover will cease after this 14 day period or earlier if the cardholder, spouse and/or dependent child/children return to their Australian home within 14 days. This cover however is not designed to provide travel insurance benefits as prescribed under the Insurance Contract Act 1984.

Benefits

1. Delays

Flight delay - if the intended interstate flight is delayed by four hours or more and no alternative transport is made available, the cardholder is entitled to charge up to A$50 per person to their eligible credit card account for meals and refreshments up to a total of A$100.

12-hour luggage delay - if following an interstate flight, your luggage containing clothes and toiletries is delayed in getting to you for over 12 hours, the cardholder is entitled to charge up to A$75 per person to their eligible credit card account for essential clothing and toiletries, up to a total of A$250.

2. Loss or damage to personal items

We insure you during your holiday for the theft and accidental loss or damage to clothing and your personal items (but not laptop computers or business items) that you have with you.

We will pay up to a value of A$500 for each item to a maximum of A$1,250 in total.
3. Funeral expenses as a result of accidental death

If whilst on the interstate holiday, you die as a result of injuries caused accidentally directly and solely by a sudden physical force (but not illness or disease), we will pay for your funeral expenses up to A$2,500 per person to a maximum of A$5,000. Your next of kin will need to contact Allianz Global Assistance to lodge a claim. We will then guide your next of kin through this process.

By funeral expenses we mean:

- the reasonable costs of returning your remains or ashes to your home town/city in Australia; and/or
- the reasonable cost of your funeral or cremation.

4. Cancellation of domestic travel arrangements

Under this section, we cover you for your cancelled arrangements and additional expenses associated with the cancellation to a maximum of A$1,750 if travel arrangements you have paid for are cancelled for any of the following reasons, provided the entire cost of your return interstate flight fares has already been charged to the cardholder’s Level 1 Card eligible credit card account:

- you, your travel companion or a relative unexpectedly:
  - dies;
  - is seriously injured; or
  - becomes seriously ill.

Note: Allianz Global Assistance will need to see medical advice written by a qualified and registered member of the medical profession regarding any of the above events and be satisfied that the expenses involved are reasonable in amount and reasonably necessary.

- your normal residence in Australia is totally destroyed but not as an act of terrorism;
- you are quarantined;
- you are subpoenaed to attend court in Australia;
- your arranged travel is cancelled or delayed by the carrier because of unexpected natural disasters; or
- the cardholder or spouse is unexpectedly retrenched. This does not include voluntary retrenchment or redundancy.

Note: Allianz Global Assistance may ask for written proof regarding any of the above events and be satisfied that the expenses involved are reasonable in amount and reasonably necessary.
This cancellation cover will cease 14 days after you leave your Australian home to travel directly to the airport from where you are catching your interstate flight or when you return to your Australian home if you return to your Australian home before the 14 days has expired.

Transit accident insurance policy

Transit accident insurance is a cover available to St.George Bank cardholders. This cover provides certain accidental death and injury cover for cardholders who sustain an injury while riding as a passenger in (not as a pilot, driver or crew member), or boarding or alighting a plane, bus, train or ferry as outlined in this policy. However the cover provided does not include benefits as prescribed under the Insurance Contract Act 1984.

This cover is available on trips where prior to the trip, the entire payment for the trip was charged to the cardholder’s eligible credit card account.

In certain circumstances the cover also extends to the cardholder’s spouse and/or dependent child/children, provided they have travelled with the cardholder for the entire trip and before the trip the payment for their trip was also charged to the cardholder’s eligible credit card account.

The benefits listed under the Schedule of Benefits will be paid if whilst outside Australia, the cardholder and/or the cardholder’s spouse and/or dependent child/children suffer an injury specified in the Schedule of Benefits under the circumstances specified in points 1, 2, 3, 4 or 5 as follows:

1. The injury is sustained on a trip while you are riding as a passenger or boarding or alighting the plane, bus, train or ferry.

2. The injury is sustained while you are riding as a passenger in (not as a pilot, driver or crew member), a licensed taxi pursuant to any statute, regulation, by-law or the equivalent thereof for the transportation of passengers for hire, provided you are travelling directly to or from an airport, bus depot, railway station or dock, immediately preceding or following the scheduled trip.

3. When, by reason of an accident specified in points 1 or 2 above, you are unavoidably exposed to the elements and, as a result of such exposure, suffer an injury for which indemnity is otherwise payable hereunder, the loss shall be covered under the terms of this policy.

4. If your body has not been found within one year of the date of your disappearance arising out of an accident which would give rise to a loss as specified in points 1, 2 or 3 above, it will be presumed that you died as a result of bodily injury caused by the accident at the time of your disappearance.

5. A benefit payable under this policy will be paid to the injured person or in the event of your death the benefit will be paid to your legal representative.
Schedule of benefits

When an accident results in any of the following injuries within one year from the date of the accident, we will pay the Benefit Amount shown below according to the injury.

Furthermore, injury with reference to hand or foot means complete severance through or above the wrist for the hand or through or above the ankle joint for the foot and, as used with reference to eye, means permanent, irrecoverable loss of the entire sight of the eye.

Limits on what we pay

The most we will pay in claims under this policy, that result from one incident (e.g. a bus crash) is A$1,300,000 for Level 1 Cards and A$650,000 for Level 2 Cards regardless of the number of cardholders, spouse or dependent child/children injured in the incident.

This means that if as a result of one incident a number of cardholders, spouse or dependent child/children were injured, we would pay each person on a proportional basis (using the above Schedule) up to a total amount. Therefore, if four Level 1 Card cardholders and four Level 2 Card cardholders lost their lives in the same bus crash, we would pay A$325,000 per Level 1 Card cardholder and A$162,500 per Level 2 Card cardholder to each of their legal representatives.
