

Corporate and Business Accounts

Interest Rates at a glance

Rates Effective 1 December 2017 (Subject to change)

This Interest Rates Brochure is part of a Product Disclosure Statement (PDS) for St. George Bank:

- Transaction, savings, investment and regulated trust accounts (**Accounts**) listed in this Interest Rates Brochure and referred to in the Corporate and Business Accounts and Payment Services Terms and Conditions and General Information booklet (**Account Terms and Conditions**); and
- Visa Cheque Account referred to in the Visa Cheque Account and Payment Services (No longer available sale) Terms and Conditions and General Information booklet (**Visa Cheque Account Terms and Conditions**).

This means that this Interest Rates Brochure is part of two different PDSs.

This Interest Rates Brochure was prepared on 12 October 2017. However, it is intended to be used only for services provided from the effective date shown above.

There are 3 parts to the PDS for Accounts. This Interest Rates Brochure sets out the interest rates, current at the date of this Brochure, for the Accounts. The other 2 documents that make up the PDS for the Accounts are the current versions of our:

- Account Terms and Conditions which sets out the features, benefits, risks, terms and conditions that will apply to your Accounts; and
- Corporate and Business Accounts and Payments Services Fees and Charges and how to minimise them booklet (**Fees and Charges Booklet**).

There are 3 parts to the PDS for the Visa Cheque Account. This Interest Rates Brochure sets out the interest rates, current at the date of the Brochure, for the Visa Cheque Account. The other 2 documents that make up the PDS for the Visa Cheque Account are the current versions of our:

- Visa Cheque Account Terms and Conditions which sets out the features, benefits, risks, terms and conditions that will apply to your Visa Cheque Account; and
- Fees and Charges Booklet.

Please let us know if you did not receive all 3 parts of the relevant PDS at the same time when:

- you opened your Account; or
- you requested a copy of the relevant PDS for St. George Accounts or Visa Cheque Account.

The Corporations Act does not require us to give customers a Product Disclosure Statement for accounts with credit facilities or accounts no longer offered for sale. However, for ease of reference, we use the term "Product Disclosure Statement" or "PDS" to refer to the terms and conditions, fees and charges and interest rate particulars for these accounts.

The PDS is an important document. Please read the PDS carefully, as it will help you to:

- decide whether a St. George Corporate and Business Account will meet your needs; and
- compare St. George Corporate and Business Accounts to other bank accounts you may be considering.

The products to which this Product Disclosure Statement applies are financial products issued by St. George Bank - A Division of Westpac Banking Corporation ABN 33 007 457 141 AFSL and Australian credit licence 233714.
