

Getting started with St.George Internet Banking

Your wellbeing is our highest priority during the Coronavirus (COVID-19) pandemic

The health of our customers, employees and the wider community is our highest priority. That's why we're closely monitoring the coronavirus (COVID-19) situation and we're here to help with alternative ways of banking.

Preparing you to bank safely

At this time customers are encouraged to check if they're registered for St.George Internet and Mobile Banking. This will allow you to safely manage your money anytime from wherever is most convenient for you.

You can register online at stgeorge.com.au/register or by downloading the **St.George Mobile Banking App**.

The convenience of Internet Banking

Internet Banking allows you to enjoy the convenience of banking from your computer, mobile or tablet. It means you can securely:

- Check your account balance
- Pay your bills or pay anyone
- Receive and check eStatements
- Transfer money
- Update your details
- Contact us

For peace of mind, be assured that St.George guarantees your Internet and Phone Banking security with St.George Secure. In the unlikely event that an unauthorised transaction does occur (and it is clear you have not contributed to the losses*), St.George will refund the full amount.

Getting set up

To get started visit stgeorge.com.au/register or download the **St.George Mobile Banking App**.

To complete your registration simply enter the following information:

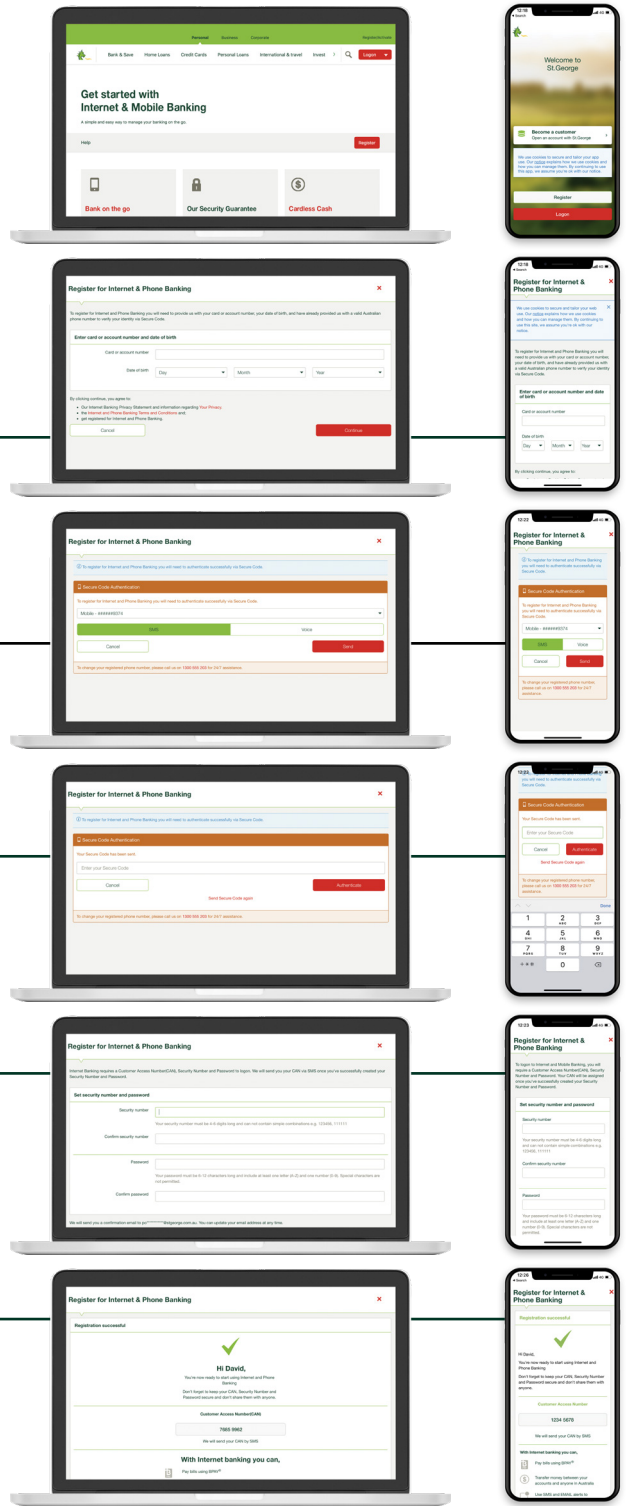

1 Enter your personal details including your card number or account number and date of birth, then select Continue.

2 Generate a Secure Code by entering your phone number. You can choose to have it sent via SMS or Voice. Select Send.

3 Enter Secure Code and select Authenticate.

4 Select a Security Number and a Password then re-enter to Confirm.

5 Select Continue banking to finish and be sure to note down your Customer Access Number (CAN).

Tips for staying safe online

We're aware of the possibility of fraudsters using COVID-19 as an opportunity to take advantage of our community. Always type 'stgeorge.com.au' into your browser, or use the St.George Mobile Banking App to securely access your banking. Please remember that if we contact you, we won't ask for confidential information such as your log in details, personal identification number (PIN), or St.George Secure Code.
