

Legislative Update – Unfair Contract Terms

From 12 November 2016, the existing unfair contract term protections for consumers will also cover standard form small business contracts. As part of our focus to continually improve the products and services we provide to our customers, we have reviewed our contracts and we are now implementing some changes to them as a consequence of that review.

1. What does this mean?

We believe the changes we're making to our facility agreements will result in our documents being clearer and more transparent for our customers.

2. What do I need to do?

You do not need to do anything. The changes will apply to existing margin lending clients after they have been notified of the changes in accordance with their facility terms.

These relevant facility agreements will soon be available on stgeorge.com.au.
